# CUSTOM BOATS

Aluminum, Flat-Bottomed

At Beavertail, we're building a legacy one boat at a time. In this one size fits all world, we're proud to go against the grain and build a boat specific to your needs, not what a production line thinks you should have. At the heart of every Beavertail boat, you'll find features that other manufacturers call "options", but we consider them standard equipment.

## FEATURES:

- ▶ All Welded, Durable 100 Gauge Aluminum Hull, Stern & Sidewalls
- ▶ Flat, Diamond Plate Floors & Forward Deck for an Ultra-Stable System
- ▶ Foam-Filled Floor, Front Deck & Flotation Pods for Extra Lift & Load Offset
- ▶ Exclusive Forward Tapered Front Deck to Run Water out of the Bow
- ▶ Drop Floor in Stern for Securing Batteries & Fuel Tank
- ▶ 24" Sidewalls
- ▶ Two, 10 Ft. Water-Resistant Gun Boxes for Stowing Extra Gear
- ▶ HD Rub Rail Sidewall Cap
- ▶ Patent Pending Performance Flotation Pods
- ▶ Built-In Interior Tubing for Accessory Wiring
- ▶ Front and Rear Exterior Grab Handles
- ▶ Interior Mounted HD Tie-Down Loops
- ▶ HD Olive Drab Paint For A Non-Reflective Wear-Resistant Finish

## AVAILABLE BOATS:

- #400106 - 15' Long with 48" Wide Bottom
- #400009 - 16' Long with 48" Wide Bottom
- #400107 - 16' Long with 54" Wide Bottom
- #400110 - 17' Long with 54" Wide Bottom
- #400112 - 18' Long with 54" Wide Bottom
- #400111 - 17' Long with 60" Wide Bottom
- #400113 - 18' Long with 60" Wide Bottom
- #400116 - 20' Long with 60" Wide Bottom
- #400117 - 20' Long with 72" Wide Bottom

Note: Boat shown with optional Swamp Lights, Motor, Trolling Motor Mount, Camo Seating and Camo Paint upgrade.

Exclusive Forward Tapered Front Deck to Run Water Out of the Bow Drain Hole and Away From You and Your Gear

Flat Tread Plate Floors and Forward Deck For an Ultra Stable Operating Platform

Heavy-Duty Rub Rail Sidewall Cap

Super-Durable Olive Drab Paint for a Non-Reflective Wear-Resistant Finish. Note: Camo Paint upgrade shown

Interior Mounted Heavy-Duty Tie-Down Loops

Drop Floor in Stern for Securing Batteries and Fuel Tank

Front and Rear Exterior Grab Handles

Foam-Filled Floor Front Deck and Pods for Extra Flotation and Load Off-Set

Built-in Interior Tubing for Accessory Wiring

Two, 10 Ft. Water-Resistant Gunnel Boxes for Stowing Firearms, Fishing Rods and Extra Gear

24 " Sidewalls

All Welded, Durable .100 Gauge Aluminum Hull, Stern and Sidewall Construction (.125 available)

Patent Pending Performance Flotation Pods

Shown Left: Standard Equipment with Optional Long Shaft Motor, Seats and Trailer.

# BOAT OPTIONS

For Custom Boats

With Beavertail's full line of Custom Boat Options, you can customize your boat the way YOU want it!

## AVAILABLE OPTIONS:

- #400235 Custom Camo Paint
- #400197 Navigation Lights (Switched Front & Rear w/ Panel)
- #401174 LED Swamp Headlights (Rigid Industries E-Series 10" Flood/Spot Combo)
- #400198 Swamp Headlights (Switched 1 Spot, 1 Flood w/ Panel)
- #400036 Bilge Pump (Switched)
- #400196 3 Interior Lights (Switched)
- #400851 12 Volt Plug-In (Front or Rear)
- #400027 Removable Stand Up Bar
- #400259 Camouflage Seat (w/ Hydraulic Pedestal)

- #400237 Seat Pedestal Bases (Welded Into Boat Floor)
- #400132 Center Console with Steering Wheel & Cables
- #XXXXXX Side Console with Steering Wheel & Cables
- #XXXXXX 15" Front Deck Extension
- #400006 15" Front Deck Extension w/ Storage Compartment
- #400227 Trolling Motor Mount System w/ Wiring & Plate
- #400165 Wider Gun Box (Each)
- #400200 Live Well in Starboard Wider Gun Box
- #400252 10' Aluminum Push Pole
- #400169 10' Push Pole Mounting System (Installed)
- #400095 Bow Shooting Platform
- #400195 Dog Ladder

- #400030 Battery 1000 CCA
- #400029 Battery 500 CCA
- #400034 Battery for 6 HP Motor
- #400032 Battery Box
- #400013 20" Transom
- #400270 Fuel Tank
- #400201 Stake-Off Loops
- #400183 Ice Breaker Corner Guards
- #400015 28" Sidewalls for 48" - 60"
- #400178 .125 Gauge Bottom;  
(must have if ordered w/o Keels)

(1000 Ft Beam / 50 Ft Flood)

#400198 Swamp Headlights

(775 M)

#401174 LED Swamp Headlights

#400197 Navigation Lights (Front & Rear)

#400196 LED Interior Lights

Switch Panel (for Lights)

#400259 Hydraulic Pedestal Seat

#400237 Seat Pedestal Base

#400165 Wider Gun Box

#400013 20" Transom

#400195 Dog Ladder

#400183 Ice Breaker Corner Guards

#400252 10' Ft. Push Pole W/ #400169 Mount

Shown Left:  
Optional Flip-Over Style  
Boat Blind in Muddy Water  
Timber Tantrum Pattern.

#400227 Trolling Motor Mount System

# LONG TAIL MOTORS

Backwater Motors

Beavertail's legendary motors are the 4 x 4's of boat motors. Our design philosophy has strayed considerably from the pack, and our refusal to conform is why we set trends instead of follow them. With models ranging from the lightweight 6.5 HP to the 35 HP beast, we've got a long shaft backwater motor to suit your application.

## #400214 - BEAVERTAIL 6.5 HP VANGUARD ALL ALUMINUM SUPER-LITE

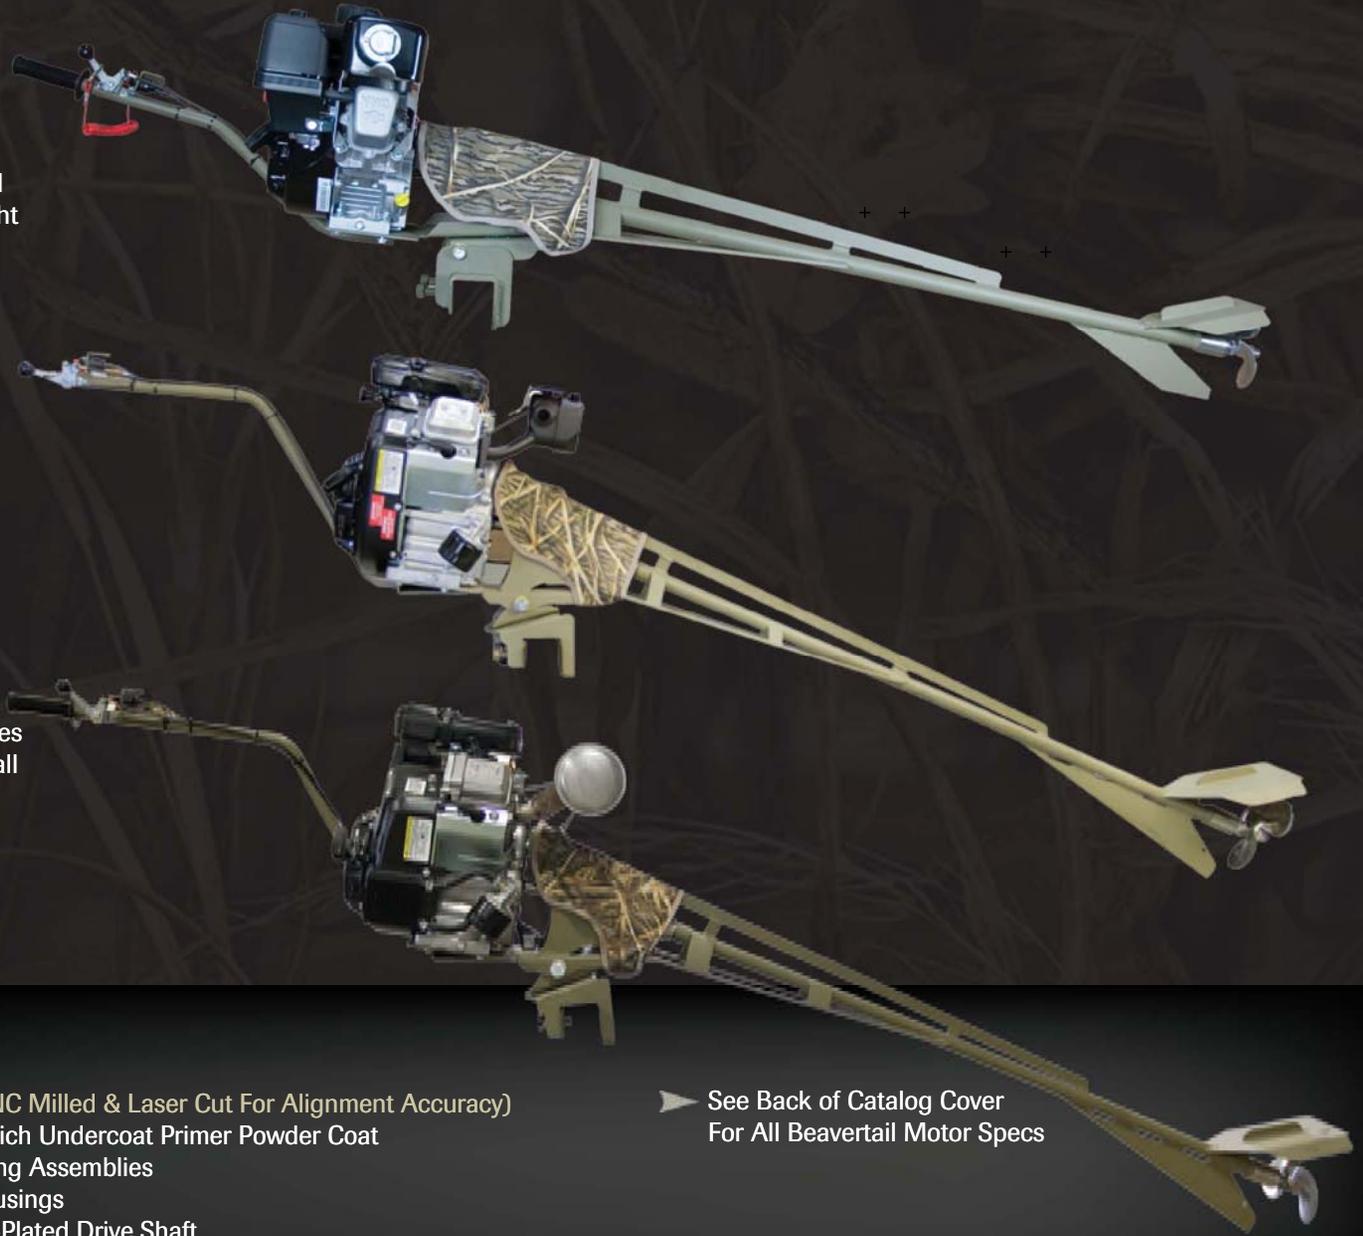

The smallest of the Beavertail line, making it the ideal choice for applications where you want to keep weight to a minimum. Lightweight status, big performance.  
7 x 4 Performance Series X propeller

## #400208 - BEAVERTAIL 13 HP VANGUARD MARINE

A very capable and easy to operate motor that really delivers. Excellent for small to medium boats.  
8 x 4 Performance Series X propeller

## #401089 - BEAVERTAIL 23 HP VANGUARD MARINE

Energetic and quick starting. This powerhouse features a number of advanced technologies Excellent for small to medium boats.  
9 x 4 Performance Series X propeller.

### FEATURES:

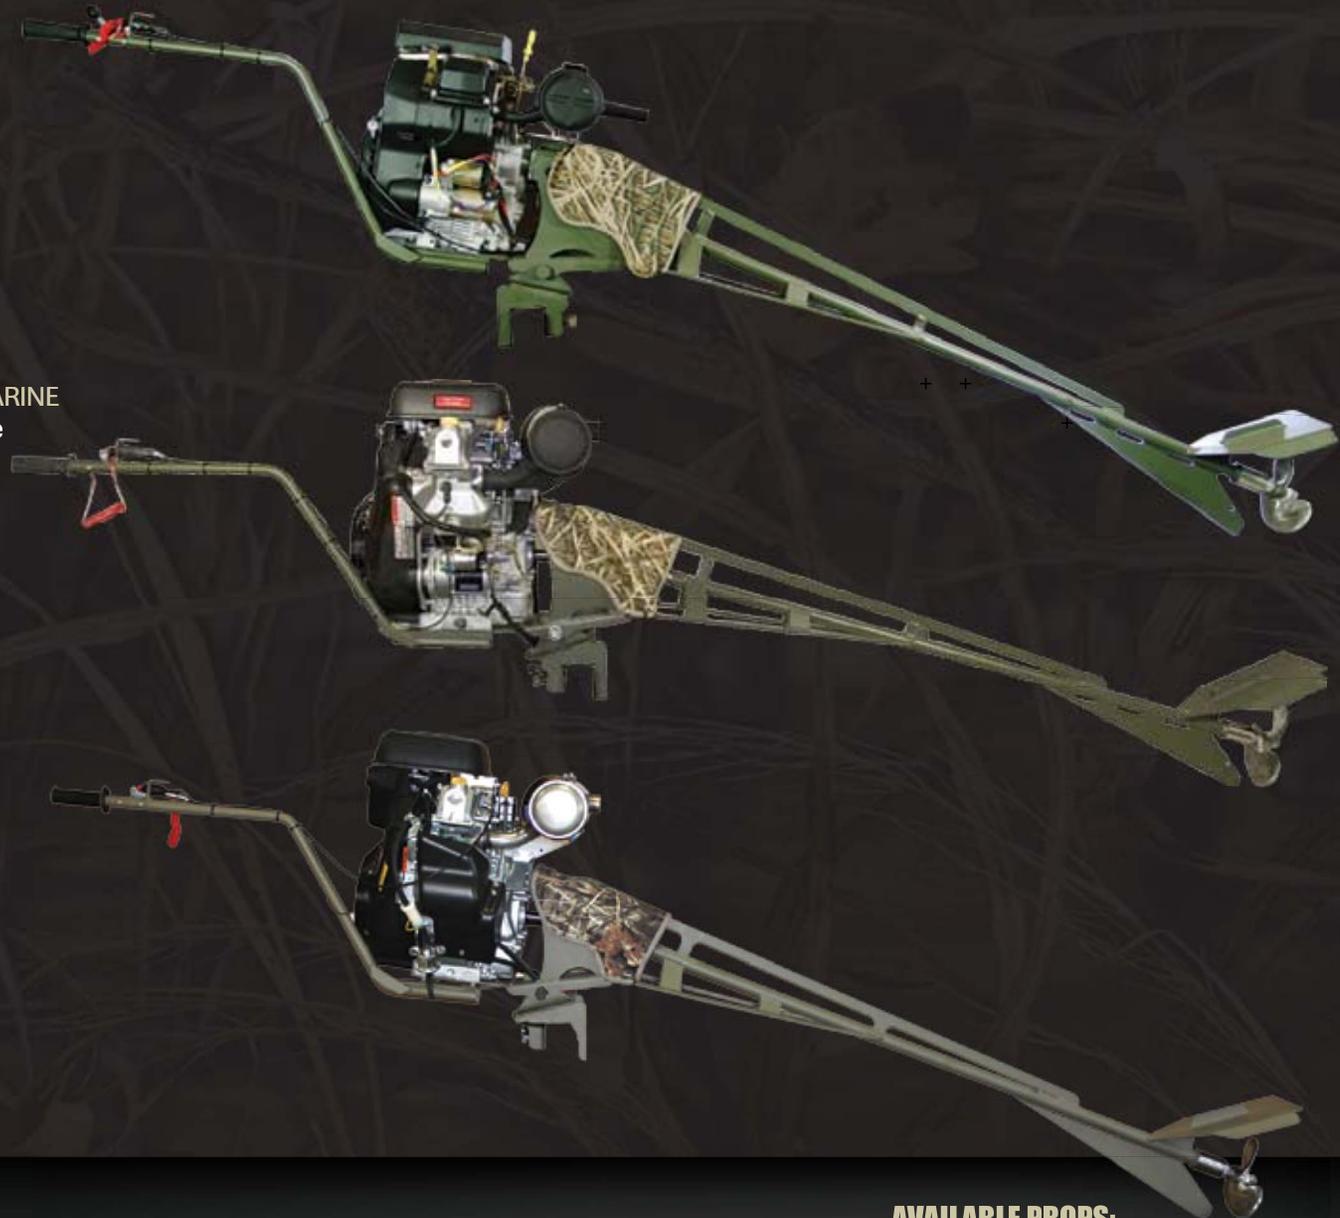

- ▶ Uni-Seamless, Robotics Welded Steel Frame (CNC Milled & Laser Cut For Alignment Accuracy)
- ▶ Flat Marine Olive Drab Powder Coat with Zinc-Rich Undercoat Primer Powder Coat
- ▶ Patent Pending Stainless Steel Removable Bearing Assemblies
- ▶ Upper & Lower Stainless Removable Caps & Housings
- ▶ Polished, Ground Balanced & Electroless Nickel-Plated Drive Shaft
- ▶ Performance Series Stainless Steel Prop (CAD/CAM Designed for Precision Accuracy, Super Weedless, Heavy Cupped)
- ▶ Exclusive 360 Degree Swivel Tailshaft (swings into boat) with True Safety Stop Spring Pin;
- ▶ Rubber-Mounted Engine Adjustment Bolts for Motor Trimming Capabilities

▶ See Back of Catalog Cover  
For All Beavertail Motor Specs

#401150 - BEAVERTAIL 26.5 HP KOHLER EFI  
Exclusive closed-loop technology. Better fuel efficiency, adapts to weather, reliable starts, all out performance.  
9 x 7 Performance Series X propeller

#400212 - BEAVERTAIL 35 HP VANGUARD MARINE  
With its legendary power & durability, this is the epitome of what a backwater motor should be. If you need ultimate speed and backwater capability, the 35 is for you.  
9 x 6 Performance Series X propeller

#401194 - BEAVERTAIL 37 HP VANGUARD EFI  
Exclusive Closed-Loop Technology.  
Better fuel efficiency. Adapts to weather.  
Reliable Starts.  
9 x 6 Performance Series X propeller

### BEAVERTAIL PROPS:

Beavertail propellers are designed with a CAD/CAM computer system and are extensively tested to match each engine's power characteristics. Other propeller manufacturers simply do not have the computer system and engine detail necessary to design propellers which exactly match engine design. We believe that when you purchase the finest mud motor available, you deserve the finest propeller.

This is the top of the line propeller, specifically designed for the combination of high speed and aggressive mud performance. The Series X Propellers are designed with blades specifically shaped and negatively raked to reduce any chance of weed buildup around the propeller hub. These props are standard on all Beavertail Motors.

### AVAILABLE PROPS:

- #400855 - 7 x 4 (6 HP)
- #400856 - 8 x 4 (13 HP)
- #400858 - 9 x 5 (20 HP)
- #400862 - 9 x 7 (24 HP, 26.5 HP)
- #400860 - 9 x 6 (35 HP)

# SURFACE DRIVE MOTORS

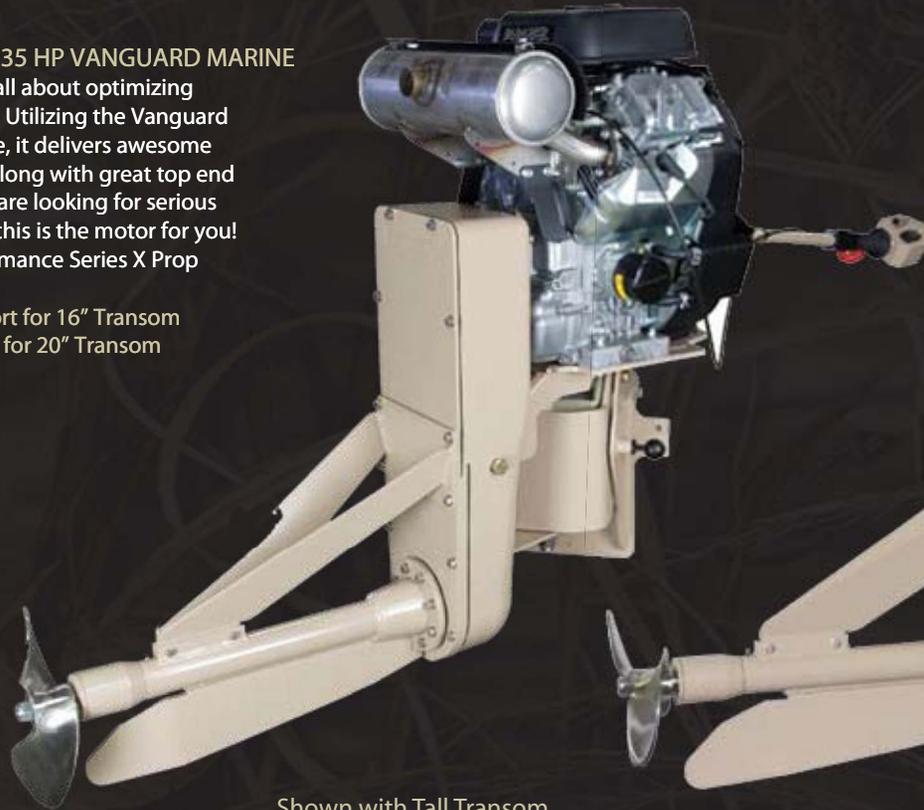

Backwater Motors

Beavertail Surface Drive Motors make short work of any swamp, bayou, backwater or slough. With a geometrically reinforced all aluminum frame and housing, frame weight is minimized to deliver outstanding power to weight ratio. We've spent countless hours on the water, pushing and perfecting the frame and drive system to ensure you are getting the most optimized surface drive available.

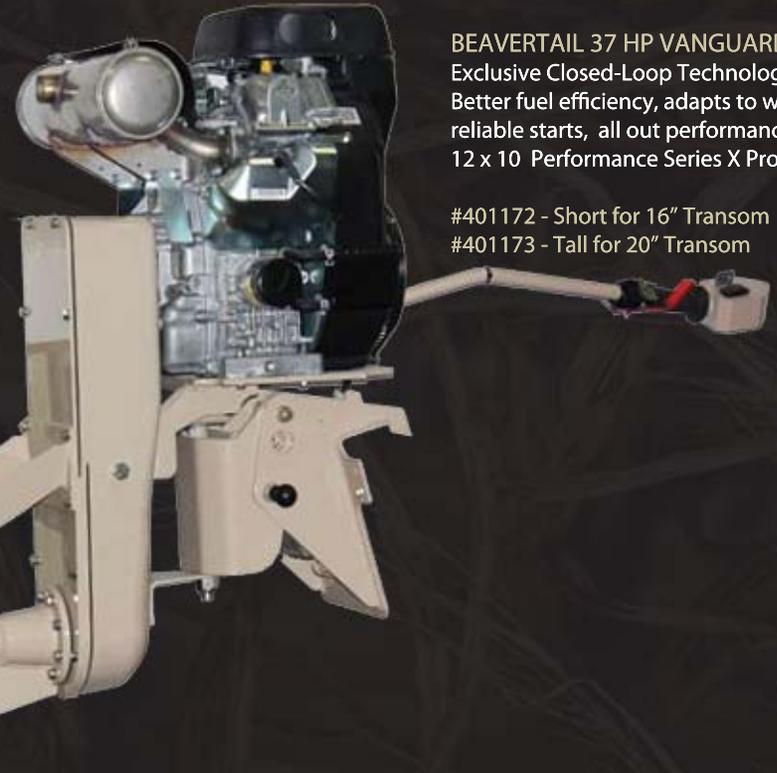

## BEAVERTAIL 35 HP VANGUARD MARINE

This motor is all about optimizing performance! Utilizing the Vanguard marine engine, it delivers awesome acceleration along with great top end speed. If you are looking for serious performance this is the motor for you! 12 x 10 Performance Series X Prop

#400216 - Short for 16" Transom  
#400220 - Tall for 20" Transom

Shown with Tall Transom

Shown with Tall Transom

BEAVERTAIL 37 HP VANGUARD EFI  
Exclusive Closed-Loop Technology.  
Better fuel efficiency, adapts to weather,  
reliable starts, all out performance!  
12 x 10 Performance Series X Prop

#401172 - Short for 16" Transom  
#401173 - Tall for 20" Transom

## FEATURES:

- ▶ All Aluminum Housing (drastically reduces overall weight)
- ▶ Extended Drive Shaft (allows for deeper surface penetration)
- ▶ Tilt and Trim Travel Lock
- ▶ Easy Access Belt Tensioner
- ▶ Easy One Hand Operation

- ▶ CMC Tilt and Trim Actuator  
Hydraulic Actuators are completely self-contained with their own fluid reservoir. They incorporate the pump, motor, reservoir and cylinder all in the same body. This eliminates the need for multiple hydraulic components such as hoses, pumps and cylinders. Actuator can be utilized in almost any type of environment. Made of 100% non-ferrous materials and are totally submersible. They contain a no-leak seal and wiper that keeps dirt and water out of the working parts.

- ▶ Actuator Features:  
6061 - T6 Aluminum Alloy Construction  
18.8 Stainless Steel Fasteners  
Thrust (Extend): 5000 Lbs. Min.  
Thrust (Retract): 3750 Lbs Min.
- ▶ See Back of Catalog Cover  
For All Beavertail Motor Specs

# PERFORMANCE PODS

Revolutionary Flotation Technology

Beavertail's revolutionary Flotation Pod technology changes the game forever. To obtain maximum motor efficiency, you need the longest plane possible. Our Performance Pods not only increase the plane of your boat, but also offer up to 200 Lbs of extra flotation. This extra flotation off-sets the negative performance often associated with the extra weight of a conventional 4-stroke, air-cooled motor. You'll get up on the plane faster, and run through shallow water that bottoms out competitive boats.

## FEATURES:

- Up to 200 Lbs of Extra Flotation
- Eliminates Negative Performance Associated with the Weight of a 4-Stroke Air-Cooled Motor
- Eliminates Tail Drag Associated with Shallow Water Running
- Boats Float Flat and Draft Considerably Less Providing Virtually Unlimited Capabilities in Shallow Water
- Dramatically Increases Out of the Hole Take Off
- Significantly Reduces All Transom Back Splash

- Funnels Water To the Propeller in the Shallowest Environments Providing the Ability to Start Out and Get on Plane Conditions Like Never Before
- No "Over-Turning Your Mud Motor" Worries
- Helps Limit Uncontrolled Spins (by acting as a stop)
- Reduces Engine Laboring and Fuel Consumption
- Compliments Engine Power Trim
- Engineered For Strength
- Can Also Function as a Dog Sitting Platform (while stopped)

## AVAILABLE PODS:

- #400245 Small - Fits 14', 15', 16' Boats
- #400244 Medium - Fits 17', 18' Boats
- #400243 Large - Fits 20' Boats

# BOAT BLINDS

The Original Flip-Over Blind

Beavertail full-size boat blinds are designed not only for exceptional concealment, but also superior functionality. These blinds attach to your boat with our exclusive telescoping frame system, which means no holes to drill and attachment / detachment is a snap. All blinds provide more than enough clearance for everyone in the boat, no matter where you are seated, and are designed to work with both backwater motors and standard outboards. Our Boat Blinds also lay directly on the side rail which means unobstructed access to gun boxes and accessories.

## AVAILABLE BLIND PATTERNS:

MUDDY WATER TIMBER TANTRUM

REALTREE MAX-4

## SERIES BOAT BLIND FEATURES:

- ▶ 600 Denier Cordura Stitched with Nylon Thread
- ▶ Adjustable Telescoping Frame System
- ▶ Marine Grade Aluminum, Stainless Steel and Galvanized Frame Tubing
- ▶ The Only Gunnel-to-Gunnel Clearance Frame in the Industry
- ▶ Ultimate Clearance Allows Use of Bench Seats, Gun Boxes & Storage
- ▶ Closeable Shooting Holes
- ▶ Sewn-On Vegetation Straps For Complete Camouflage
- ▶ Quick Attach / Detach - No Drilling
- ▶ Can Be Broken Down For Easy Storage / Transport

- ▶ Exclusively Designed to Run With a Mud Motor; Equally Effective with Outboards
- ▶ Accommodates Square-Front and V-Front Jon Boats

## AVAILABLE SERIES BOAT BLINDS:

- #400037 1400 Series - Realtree Max-4
- #401144 1400 Series - M.W. Timber Tantrum
- #400043 1600 Series - Realtree Max-4
- #401145 1600 Series - M.W. Timber Tantrum
- #400046 1800 Series - Realtree Max-4
- #401146 1800 Series - M.W. Timber Tantrum
- #400053 2200 Series - Realtree Max-4
- #401147 2200 Series - M.W. Timber Tantrum

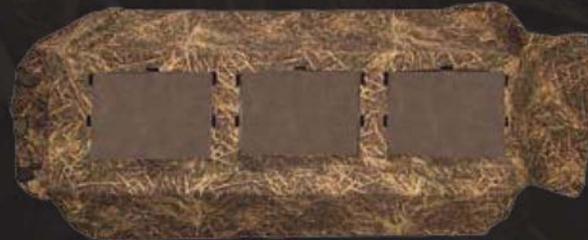

### 1400 SERIES BOAT BLIND

Fits boats 14' to 15' long.  
 Top Beam width 47" to 59".  
 Three closable shooting holes.  
 #400037 - Realtree Max-4  
 #401144 - Muddy Water Timber Tantrum

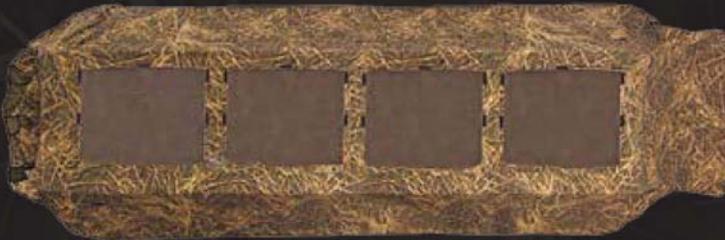

### 1600 SERIES BOAT BLIND

Fits boats 15' to 17' long.  
 Top Beam width 60" to 72".  
 Three closable shooting holes.  
 #400043 - Realtree Max-4  
 #401145 - Muddy Water Timber Tantrum

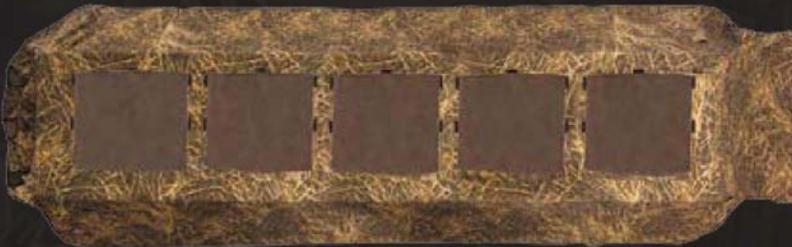

### 1800 SERIES BOAT BLIND

Fits boats 17' to 20' long.  
 Top Beam width 72" to 86".  
 Four closable shooting holes.  
 #400046 - Realtree Max-4  
 #401146 - Muddy Water Timber Tantrum

### 2200 SERIES BOAT BLIND

Fits boats 19' to 23' long.  
 Top Beam width 86" to 96".  
 Five closable shooting holes.  
 #400053 - Realtree Max-4  
 #401147 - Muddy Water Timber Tantrum

#401153 BOAT BLIND EXTENSION KIT  
 Extends the boat blind frame length by 7 Inches to accommodate varied seating situations. Kit includes 4 Extension poles + hardware.

### FLIP-TOP BLIND FEATURES:

- Mounts On Top Of Existing Beavertail 1400/1600/1800 Series Boat Blinds
- 600 Denier Polyester Shell Provides Concealment & Protection From Elements
- Light-Weight, Powder-Coated Modified Square Aluminum Frame
- Sewn-On Vegetation Straps For Complete Camouflage
- Quick Attach / Detach
- Can Be Broken Down For Easy Storage / Transport
- Adjustable Height From 16 - 24 Inches
- 8 Feet x 9 Inch Frame Length (1400 / 1600)
- 11 Feet x 8 Inch Frame Length (1800)

### FLIP-TOP BLIND

Series Boat Blind and Beavertail Boat Not Included

### AVAILABLE FLIP-TOP BLINDS:

- #400038 1400 Flip-Top - Realtree Max-4 (Fits Beavertail 1400 & 1600 Series Boat Blinds)
- #400047 1800 Flip-Top - Realtree Max-4 (Fits Beavertail 1800 Series Boat Blind)

# STEALTH 1200

1-Person Sneak Boat with  
Optional 2nd Seat Available

Designed for 1 Person with an optional 2nd seat available. Features an air-filled inner structure and the twin hull catamaran style bottom provides ultimate stability for sitting or standing, throwing decoys or shooting, yet floats in only 4-5 inches of water. The Stealth 1200 can be propelled with a push pole, paddles or an electric trolling motor (boat is rated for a 2 HP motor).

## FEATURES:

- ▶ 100% Thick and Rugged Roto-Molded Polyethylene
- ▶ Air-Filled Inner Structure
- ▶ Catamaran Style Bottom For Outstanding Stability
- ▶ Water-Resistant Storage Compartments - Front & Rear
- ▶ Single Interior Gun Rack and Shell Holder
- ▶ Decoy Slots - Both Sides
- ▶ Contoured Seat
- ▶ Non-Skid Floor
- ▶ Side Storage Compartments
- ▶ Tie-Down Slots - Front & Rear
- ▶ Handles - Front & Rear
- ▶ Optional Accessories Include:  
2nd Seat, Motor Mount  
Flip-Over Blind, Dog Ladder and  
more ( See Pages 3-4)
- ▶ Dimensions:  
Overall: 12' L x 44" W x 17" D  
Cockpit: 8' L x 27" W x 13" D  
Weight: 130 LBS  
Weight Cap: 550 LBS (Motor, people & gear)  
Item#: 400083 Marsh Brown

# STEALTH 2000

1-2 Persons or 1 Person and 1 Dog

Designed for 1-2 Persons or 1 Person and 1 Dog. Features a foam-padded dog platform, foam-filled inner structure and the catamaran style bottom provides ultimate stability for sitting or standing, throwing decoys or shooting, yet floats in only 4-5 inches of water. The Stealth 2000 can be propelled with a push pole, paddles or an electric trolling motor (boat is rated for a 2 HP motor).

## FEATURES:

- ▶ 100% Thick and Rugged Roto-Molded Polyethylene
- ▶ Foam-Filled Inner Structure
- ▶ Catamaran Style Bottom For Outstanding Stability
- ▶ Foam-Padded Dog Platform
- ▶ Water-Resistant Storage Compartment- Rear
- ▶ Double Interior Gun Racks and Shell Holders
- ▶ 360 Degree Cushioned Swivel Seat with Folding BackRest (Storage Compartment Under Seat Holds a Marine Battery)
- ▶ Non-Skid Floor
- ▶ Side Storage Compartment
- ▶ Tie-Down Slots - Front & Rear
- ▶ Handles - Front & Rear
- ▶ Optional Accessories Include: 2nd Seat, Motor Mount, Flip-Over Blind, Dog Ladder and more ( See Pages 3-4)
- ▶ Dimensions:
  - Overall: 12' L x 44" W x 15" D
  - Cockpit: 8' L x 36" W x 10" D
  - Weight: 130 LBS
  - Weight Cap: 460 LBS (Motor, people & gear)
  - Item#: 400091 Marsh Brown

# STEALTH ACCESSORIES

Accessories to fit the Stealth 1200 and / or the Stealth 2000 Sneak Boats

#400233 Stealth 1200 Oar Lock Kit  
Quick and easy installation of this kit adapts the Stealth 1200 for propulsion with oars (5 1/2 Ft. oars are recommended).

#400234 Stealth 9-Foot Paddle  
Features removable ends for easy storage. Kayak style paddle allows one person to easily paddle the Stealth 1200 or Stealth 2000 boat.  
Color: Black

Stealth Motor Mount  
Allows the use of an electric trolling motor or small outboard on the Stealth 1200 or Stealth 2000. Boat is rated for a 2 HP motor.  
Color: Marsh Brown  
#400222 - Fits Stealth 1200  
#400223 - Fits Stealth 2000

Stealth Flip-Over Blind  
600 Denier, extremely durable fabric with closable shooting holes on top and side. Features flip-over style aluminum frame construction that sets up / takes down in seconds. Roomy interior and headroom for you and your gear, Dog doors on both ends and built-in vegetation straps. Fits both the Stealth 1200 and the Stealth 2000.  
Setup Dimensions 11' L x 39" W x 60" H  
Weight: 17 Lbs

#400079 - Realtree Max-4  
#400078 - M.O. Shadow Grass

# STEALTH ACCESSORIES

Accessories to fit the Stealth 1200 and / or the Stealth 2000 Sneak Boats

#400256 Stealth 1200 Additional Seat  
Cushioned seat with 360 degree swivel and folding backrest. Plastic base conforms to the grooves on the floor and is large enough to accommodate a marine battery or may be used for dry storage. Seat can also be used as a stand alone seat while field hunting.  
Color: Marsh Brown

#400257 Stealth 2000 Additional Seat  
Cushioned seat with 360 degree swivel and folding back rest. Plastic base features molded in cup holder and small storage compartment. Base conforms to the grooves on the floor and is large enough to accommodate a marine battery or may be used for dry storage. Color: Marsh Brown.

#400142 Stealth Dog Ramp  
100% rugged polyethylene construction. Tough, durable dog ramp hooks onto the handle of the Stealth 1200 or Stealth 2000, and swings up and out of the way.  
Color: Marsh Brown.

Stealth Layout Blind  
Tough, durable 600 Denier waterproof and windproof polyester. Cockpit zipper provides easy access to seat for paddling. Flip-open doors with a strong & light aluminum frame allow for quick action. Padded, adjustable sling seat attaches to framework for low-profile concealment. Sewn-In Vegetation Straps. Blind slips over your Stealth 2000 boat.  
#401182 - Realtree Max-4

# PHANTOM

1-Person Waterfowling Kayak

As a waterfowling kayak, the Phantom is purpose-built to overcome the challenges often found when hunting out of smooth bottomed conventional kayaks. With a catamaran style hull, the Phantom is extremely stable to support the additional weight of hunting gear and the extreme lateral movements that accompany hunting from a kayak, such as shooting your gun or tossing decoys.

## FEATURES:

- 100% Thick and Rugged Roto-Molded Polyethylene
- Foam-Filled Inner Structure
- Catamaran Style Bottom For Outstanding Stability
- Water-Resistant Storage Compartment - Front
- Contoured Back and Head Rest
- Non-Skid Floor
- Tie-Down Slots - Front & Rear

- Interior Foot Rests
- Handles - Front & Rear
- Optional Kayak Paddle  
Grasses and more  
(See Page 8)

- Dimensions:
  - Overall: 9' L x 32" W x 13" D
  - Cockpit: 6'3" L x 29" W x 9" D
  - Weight: 60 LBS
  - Weight Cap: 360 LBS

#400238 Marsh Brown

# FINAL ATTACK

Multi-Function Boat / Blind

Arguably the most versatile sneak boat you will ever own! With an ultra-low profile, this boat flattens out in extremely short vegetation and has ample room for both you and your gear. With a built-in transom, you can easily attach a motor for an effortless trip to your destination. With built-in low profile wheels, the Final Attack is also a cinch to move across dry land and makes an excellent pit blind or portable field blind for wet and muddy or flooded fields.

## FEATURES:

- ▶ 100% Thick and Rugged Roto-Molded Polyethylene
- ▶ Foam-Filled Inner Structure
- ▶ Low-Profile Design

#400151 Marsh Brown

# FINAL ATTACK ACCESSORIES

Accessories to fit the Final Attack Multi-Function Boat / Blind

#401062 Final Attack Back Rest  
Custom compounded polyethylene. Provides day-long back support and comfort while in your Final Attack boat / blind. Color: Marsh Brown

#401035 Final Attack Pit Cover  
Custom compounded polyethylene. Removable pit / storage cover for your Final Attack boat / blind. Keeps water and critters out when the boat is not in use. Color: Marsh Brown

Concealment Grasses and Concealment Blankets available on opposite page.

#400066 Final Attack Quick Cover  
Tough, durable 600 denier waterproof and windproof polyester. Strong & light aluminum frame. Flip-open doors allow fast action. Low-profile disappears in very little cover. Vegetation straps for easy concealment. Quickly attaches to your Final Attack boat / blind. Available Pattern: Realtree Max-4

# PHANTOM ACCESSORIES

## Accessories to fit the Phantom Sneak Boat

#400234 Phantom 9-Foot Paddle  
Features removable ends for easy storage.  
Kayak style paddle allows the Phantom to  
be easily paddled.  
Color: Black

**Ghillie Grass Bundles**  
Indestructible, all natural raffia with exclusive  
nylon; clip-on hook allows for fast and easy  
installation. Bundles can be painted to match  
any application. 10 Bundles per package will  
cover approx. 20 square feet.  
#400160 Green | #400159 Natural

**Ghillie Grass Mat**  
Over 1,200 strands per Mat, hand-tied  
on rugged net backing. Won't crack or tear  
like palm. Easily wraps around corners and  
conforms to any shape. Can be dyed or painted  
for any application. Three clip-on hooks per  
Mat. One mat covers approximately  
20 square feet.  
#400161 Green | #400162 Natural

**Beavertail Blanket**  
Allows total concealment in a variety of fields!  
3D Camo outperforms conventional camo patterns.  
Leafy Ghillie-style mimics a chisel-plowed, harvested  
grain or snow covered field. Low-profile polyester and  
burlap. Sewn-in vegetation straps for adding natural  
cover. Effective with or without a blind. No shadows.  
Works great on wary, hard-hunted birds.  
Dimensions 7 Ft. L x 4.5 Ft. W = 3.7 Lbs  
#401149 - Golden Grain (Shown Left)  
#401148 - Chisel-Plowed Field (Shown A)  
#401189 - Snow Cover (Shown B)

# PREDATOR

Portable Pit Blind

If you want the comfort and low profile attributes of a pit blind, but also require the ability to move from spot to spot, the Predator portable pit blind is for you. Weighing a mere 34 Lbs, this field blind is easily dragged from one set-up to the next and can hold your gear while transporting. Granted a Seal Of Approval from the North American Hunting Club!

## FEATURES:

- ▶ 100% Thick and Rugged Roto-Molded Polyethylene
- ▶ Spring-Loaded BackRest For Immediate Action
- ▶ Storage Space Beneath BackRest
- ▶ Foam-Filled HeadRest
- ▶ Contoured Seat
- ▶ Shoulder and Elbow Rests
- ▶ Flush-Mounted Shell Holders

# BIG GUNNER

Lift-Assist Field Blind

The Big Gunner is the next evolution in lift-assist blinds. With a new ergonomically contoured backrest, your head and neck are supported for hours of comfort in the field. We've also increased the footprint, giving you more room inside the blind while flattening the profile to keep you low. The lift-assist backrest has 2 adjustments for a subtle lift or a big push (depending on the size of the shooter) allowing you to get into position faster and concentrate on the shot when its "go" time. Go BIG with the Beavertail Big Gunner!

## FEATURES:

- ▶ 600 Denier Windproof & Waterproof Material
- ▶ Aluminum Square Tube Frame Assembly
- ▶ Patent Pending Lift-Assisted Back Rest
- ▶ Cushioned Head Rest & Adjustable Seat Cushion
- ▶ Interior Closed Cell Non-Absorbing Seat Pad
- ▶ Larger Doors - Both Sides
- ▶ Increased Chest and Leg Room
- ▶ Larger Face & Mesh Area
- ▶ Flagging Holes
