Item	Description	Qty	Price Each	Total
290	customer brought in boat on 7/29/19 For Repairs 1. Vibration in engine check for bent drive shaft. Technician inspected engine for vibration, found swivel plate under powerhead was very sloppy. Talked to Beavertail and had them send a new swivel plate. Lift engine and install new transom pivot and lube. Engine Retail Labor (Tech# 290)	1	100.00	100.00T
